GERRARD LARRIETT AROMATHERAPY PET SPA IN A BOX #GIVEAWAY

giveaway/), holistic pet shampoo (http://catwisdom101.com/tag/holistic-pet-shampoo/), stress-pets (http://catwisdom101.com/tag/stress-pets/) ∞ Permalink (http://catwisdom101.com/gerrard-larriett-aromatherapy-pet-spa-box-giveaway/)

We did a giveaway for the nice folks at Gerrard Larriett (http://www.gerrardlarriett.com)last year and I'm happy to report we have a giveaway for their *new* Aromatherapy Pet Spa in Box. This is a luxury line of products designed for dogs or cats. I really like their candles. When they recently shipped me their Happy Jasmine Pet Spa Box I had no idea how handy the candle would be.

I live in an antique farmhouse and one day last week a stench worse than any litter box wrinkled my nose. A pipe in the basement had broke and while the plumbers were doing their thing, I stressed from the noise and stink wafting into my office. I work at home and while I have all kinds of odor removing products, I lit the Happy Jasmine candle. This was one time I didn't want to remove an odor, I wanted to add an scent I'd enjoy. It worked like a charm. The new candles with essential oils are hand poured soy which deodorize your home with a 40 hour burntime and made in USA. *Please keep any lit candle away from pets.*

My Pet Spa box contained a large bottle of Happy Jasmine Aromatherapy Shampoo & Conditioner For Pets, 16 FL OZ (473 mL). Truth be told, our boys did not need a bath so I tried it myself. I color my hair which tends to be dry and this worked amazingly well. This was one time I didn't mind being a guinea pig! Available in five signature aromatherapy scents, our shampoo & conditioners contain Aloe Vera and Oat, known to naturally prevent skin irritation and to rehydrate sensitive, dry skin. Custom-formulated moisturizing agents not only leave coat silky, soft and shiny but also *your* hands!

My Pet Spa box also included a large bottle of Aromatherapy Freshening and Shining Spray (http://www.gerrardlarriett.com/happy-jasmine-aromatherapy-freshening-amp-shining-spray-for-pets.html). If you have a dog, they'll love it. It's 100% biodegradable, paraben and dye-free with lanolin to naturally rehydrate sensitive, dry skin to leave coats fragrant and shiny in between baths. It's not meant for cats but you could use it to freshen

a room and I confess, a spritz on my hair smelled divine.

I would love the Lavender and Chamomile! I think it would be very relaxing for Scooter who has been a bit of a grumpy Royal Highness around here lately. This is the first I have heard of such a box and I love the idea!
