Va-Va Ajvar

Ajvar, both hot and mild, is a traditional spread made from succulent roasted red peppers, eggplant, and spices.
It is a staple on tables throughout the world, and for good reason. We make a mild, sweeter version, as well as a spicier version, made with the addition of fefferoni peppers.

HONEY

Airborne believes in three things for your honey; honest, undamaged, and traceable. Airborne has over 100 years of experience. They do not heat, ultra filter, or pasteurize their honey. Each jar of honey is traceable back to the specific hive from whence it came. Each batch of honey is tested for top quality. Their patented processes produces the most delicious, pure, and robust honey in the world.
