

WHAT PEOPLE ARE SAYING ABOUT

Immigration Consequences of Criminal Activity

“The time to avoid adverse immigration consequences is at the onset of the criminal charges, not after sentencing...Mary Kramer teaches practitioners how to protect their clients early in the process. Having practiced in both the immigration and criminal arenas, I can highly recommend Mary Kramer’s *Immigration Consequences of Criminal Activity*. It is easy to read, contains useful strategies and tips, and is rooted in cutting edge analysis of case law.”

— Linda Osberg-Braun, Esq.
Former Deputy District Counsel, INS
Former Assistant Federal Public Defender

“With its comprehensive analysis, thorough scholarship, clear and concise writing, and emphasis on practical approaches to criminal alien issues, *Immigration Consequences of Criminal Activity* is the new testament in the bible of available resources for legal practitioners.”

— Randolph P. McGrorty, Esq.
Executive Director
Catholic Charities Legal Services

“Mary Kramer’s new and unique book, *Immigration Consequences of Criminal Activity: A Guide to Representing Foreign-Born Defendants*, is a “must have” for every criminal defense attorney representing non-American citizens. Ms. Kramer is extremely knowledgeable and her book provides very practical advice. Her book is particularly useful for criminal defense practitioners, especially now, as the Department of Homeland Security is aggressively focusing on noncitizens.”

— Jeffrey S. Weiner, Esq.
Former President, National Association of Criminal Defense Lawyers
Fellow, American Board of Criminal Lawyers

"Today, effective assistance of criminal defense counsel must include knowledge of and advice regarding immigration consequences. This book is essential!"

— Robert Amsel, Esq.
Board Certified, Criminal Trial Law Specialist (Florida Bar)

“This book is proof that Mary Kramer is both a scholar and an aggressive and practical litigator for her clients. By writing this book we all get to benefit from Ms. Kramer’s expertise and knowledge. This book is a bible for anyone who represents non-citizens in the criminal courts or before the federal agencies. It is comprehensive, clear and manageable. I plan on using this book as a primer for my immigration law class.”

— Jeff Joseph
Immigration Attorney
Adjunct Professor of Immigration Law, University of Denver, College of Law

“I find Mary Kramer’s book, *Immigration Consequences of Criminal Activity*, indispensable in analyzing my immigration cases in which there has been a criminal offense. While Kramer addresses cutting-edge criminal related issues and provides up-to-date citations and authority, her writing style and organization also make this book accessible to attorneys new to the practice of immigration defense. With the demise of due process and the ever-expanding consequences of crimes, this book is an important resource for all immigration practitioners.”

— C. Lynn Calder
Immigration Attorney
Raleigh, NC
