Please Note: We are a reseller of products & accessories and we do not warranty the products we sell. All warranties are by the actual manufacturer unless otherwise listed in the product ad. All manufacturers' warranties, restrictions and conditions apply to the items you purchase. Returns are processed on a case-by-case basis and the product / accessory must be unopened & unused in the original package, certain DOA's are exception at our discretion. This means that any defects in manufacturing or damage in shipping will be covered by the manufacturers' warranty or the shipping carrier's insurance only if you elected for a insured method of shipping. In case of manufacturers' defects and warranty repairs, we will provide instructions for contacting the manufacturer. [Customer Return Policy Page](#)

IMPORTANT General Warranty & Support Information: Proof of Purchase with Customers Actual Receipt (no other usually accepted) is Required for All Warranty Claims. Any signs of abuse, misuse, negligence, improper operation, improper use, failure to follow manufacturer's instruction, failure to contact manufacturer for support / warranty, normal wear & tear are not covered by any warranty. Warranties & Returns do not cover damages caused by accident, caused by abuse, misuse, neglect, acts of god, improper use or disassembly, installation, maintenance, alteration, repair, any modification, normal wear & tear, water damage, defaced, unreadable, removed serial numbers or other factory markings, other specific & non-specific area's or other issues, terms, conditions or any other wording not covered here. Discontinued items or products are usually Not Covered By any Warranty or Support. Shipping and Handling charges are always additional charges for

warranty or any returns. Returns received back that are not defective as described may be discarded, may be sent back to the customer with shipping charges, technician fee's and other service charges that will be charged to your credit card. Technician & other service charges may be applied to your return for examination; this is an additional charge that will be charged. Please note: Most Returns Need an RMA # (Return Merchandise Authorization Number) & proper return information issued by the manufacturer, vendor, distributor, store, dealer or other, as well as your actual receipt! Other terms & conditions may also apply! If you send a product back without an RMA # , Receipt & or / Other it is usually not be accepted, you will not be refunded, exchanged, replaced or credited back! Be sure to get all the information as well as the directions to return any covered item. All manufacturers' warranties, restrictions and conditions apply to the items you purchase. Warranties Policies, Support Terms, Conditions, Policies and are will change, vary and are from the supporter of such product. We do not claim affiliation or other with this company's. The information here may not be accurate, please check with actual company or supporter for information.
