### **Toasts (continued)**

here's to you, here's to me  
 here's to sex, when it's free

Here's to the game called 'Ten Toes'  
 That's played all over town.  
 The women play with ten toes up.  
 And the men with ten toes down

May for better or for worse be far better  
 than worse.

Here is to your husband, your friend, your  
 lover. Here's to your honeymoon spent  
 under the covers.

A guy goes to pick up his date for the evening. She's not ready yet, so he has to sit in the living room with her parents. He has a bad case of gas and really needs to relieve some pressure. Then, the family dog jumps up on the couch next to him. He decides that he can let a little fart out and if anyone notices they will think that the dog did it. He farts, and the woman yells, "Spot, get down from there!" The guy thinks, "Great, they think the dog did it." He releases another fart, and the woman again yells for the dog to get down. This goes on for a couple more farts. Finally the woman yells, "Dammit Spot, get down before he shits on you." Men are like.....Parking spots. The good ones are taken, and the rest are too small.
