"A few things I think are wonderful." – Lynette Rowland

Just To Be Safe

You expect your kids to do the right thing but sometimes you have to make sure. This compact tool allows you to determine alcohol levels or presence of alcohol. Think it's unnecessary? Local high schools have started using breathalyzers before and after proms to ensure kids are safe. Adults can benefit, as well.

(\$49.99, *Alcohawk*[™], www.breathalyzer.net)
