Band/Orchestra - Renaissance	_3 - Canzona per Sonare #4 (Gabrieli/Curnow)	HL-8724014	60.00	Concert Band: It seems fitting that the Canadian Brass would pay tribute to the first notable composer for brass instrument ensembles, Giovanni Gabrieli. His famous Canzona No. 4, as performed by the Canadian Brass, works extremely well for full band with this transcription by James Curnow.
Band/Orchestra - Renaissance	_3 - Christmas Vesper (Harbison)	HL-50481660	35.00	Concert Band
Band/Orchestra - Baroque	_3 - Canon (Pachelbel/Custer)	HL-8724004	60.00	Concert Band: The simplicity and beauty of Pachelbel's haunting theme has made it one of the most famous classical compositions ever written, as evidenced by recording sales. Calvin Custer's adaptation keeps the integrity of the original Canadian Brass arrangement.
Band/Orchestra - Baroque	_3 - Little Fugue in G Minor (Bach/Custer)	HL-8724002	60.00	Concert Band: Over the years, Bach's exquisite fugue has become an audience favorite of the Canadian Brass and is now available for concert band with this skillful transcription by Calvin Custer.
Band/Orchestra - Baroque	_3 - Water Music Suite (Handel/Custer)	HL-8721325	60.00	Concert Band: The four movements in this setting from the famous 'Water Music Suite' include: Allegro; Air; Hornpipe; and Allegro Maestoso. These are the same movements found in the 'Canadian Brass' arrangement of the same title. This glorious music is enhanced in this full concert band setting, perfect for any concert or festive occasion.
Band/Orchestra - Contemporary	_3 - Fantasies for Anna (Dedrick)	HL-8724028	70.00	Concert Band
Band/Orchestra - Contemporary	_3 - Indiana (Back Home Again In Indiana)	HL-7010089	40.00	Concert Band: This popular standard gets the full Canadian Brass treatment in this big band setting. Written in a medium swing style every section gets a workout in this swingin' chart.
Band/Orchestra - Contemporary	_3 - La Virgen del Macarena (Custer)	HL-8724008	60.00	Concert Band: The Spanish classic as performed by the Canadian Brass. Featuring solo cadenzas for both clarinet and trumpet, this audience favorite is an awesome display of the fiery Spanish style. An impressive selection for concert band.
Band/Orchestra - Contemporary	_3 - Sousa Collection (Sousa/Cable)	HL-8721374	60.00	Concert Band: This brass quintet and concert band feature includes short quotes from popular Sousa marches. Howard Cable arranged the original 'Canadian Brass' version, and was eager to score an easier version for brass quintet and concert band. Brass quintet parts are playable within the band, or as a feature out in front. Patriotic, lively...an excellent concert choice!
Band/Orchestra - Popular	_3 - Beale Street Blues (Handy/Marshall)	HL-8724006	60.00	Concert Band: W.C. Handy's swingin' blues is always a highlight of a Canadian Brass concert. David Marshall's adaptation for band features ad lib solos (written out) and some 'downright dirty' dixieland for the entire band. Great fun for all!
Band/Orchestra - Popular	_3 - Bill Bailey (Henderson/Marshall)	HL-8724010	60.00	Concert Band: No catalog would be complete without some of that marvelous razz-a-ma-tazz entertainment that is a trademark of a Canadian Brass performance. David Marshall has transformed one of their biggest hits, 'Bill Bailey,' into a fabulous show-stopper for concert band.
Band/Orchestra - Popular	_3 - Just a Closer Walk (Gillis/Custer)	HL-8721094	60.00	Concert Band: Probably the most popular Canadian Brass concert opening number, 'Just a Closer Walk With Thee' retains the famous, slow, New Orleans-style introduction. In true Canadian Brass style, this one really lets loose for some great Dixie fun that's within the playing abilities of most grade 3 bands. Included are short written solos for clarinet, trumpet and trombone.
Band/Orchestra - Popular	_3 - Saints' Hallelujah (Trad./Handel/Henderson/Custer)	HL-8721323	60.00	Concert Band: The lively combination of 'When The Saints Go Marching In' and 'The Hallelujah Chorus' has been a popular Canadian Brass concert selection for years. This playable version of that imaginative arrangement features a trumpet soli section and a solid concert band scoring throughout.
Band/Orchestra - Popular	_3 - Sugar Blues	HL-7010091	40.00	Concert Band: This arrangement for full jazz ensemble is based on the version recorded by the Canadian Brass. No special instrumentation is required. This up-tempo production number features a Trumpet soloist in a Dixie style that alternates from even to swing 8ths. Sure to be a show stopper.

christmas	A Christmas Experiment	RCA: 09026-68880-2	13.95	The 'experiment' the five members of the Canadian Brass undertook was to celebrate Christmas with a true family gathering, inviting musically and artistically talented relatives of all ages to join them in renditions of such holiday classics as 'The Night Before Christmas', 'Jingle Bells', 'O Come All Ye Faithful', 'Silent Night', and 'Little Drummer Boy'. In addition, the Brass is accompanied by the Bach's Children's Chorus, the Georgian Bay Children's Chorus, and selected instrumentalists. The affair is a joyous one, with every song arranged imaginatively and performed with due reverence for the holiday tradition. A Christmas album that radiates with the true spirit of the season. - CD Review from Billboard All arrangements by Christopher Dedrick. Contains: The Night Before Christmas (Moore) * Jingle Bells (Pierpont) * Sleigh Runners (Dedrick) * Jolly Old St. Nick (trad.) * Rudolph The Red-nosed Reindeer (Marks) * Oh Christmas Tree (trad.) * Sleigh Bells (Dedrick) * Sweet Songs Of Christmas (Dedrick) * Spinner (Santa's Little Elf) (Dedrick) * Frosty the Snowman	
christmas	A Christmas Gloria - The Mormon Tabernacle Choir and The Canadian Brass	BWE Classics 0196	13.95	Celebrate the spirit of the season with the world-famous Mormon Tabernacle Choir and the Canadian Brass. The unique blend of classical virtuosity and high-spirited performance which distinguishes The Canadian Brass produces a result which is nothing short of spectacular when joined by the enchanting sound of the Tabernacle Choir's 350 voices. A Christmas Gloria blends this magnificent performance of Christmas music with an inspiring montage of scenes. (also read the video broadcast announcement in the New York Times. Contains: Joy to the World (arr. christmas	Noel	RCA: 09026-62683-2	13.95	If you were expecting a normal Canadian Brass recording, well, you should know by now -- there isn't any such thing. This group always has a few surprises waiting for its listeners. The CD seems to have tried to cram several disc's worth on to one program. There's an impressive roster of RCA stars -- James Galway, Richard Stoltzman, Jerry Hadley, the King's Singers -- along with a big jazz band and a children's choir. It's a flashy, slick production with lots of instruments, some electric: even Bach and Handel are given a pop flavor. A highlight is the amazing tuba playing of Chuck Daellenbach on an arrangement of Leroy Anderson's 'Trumpet Lullaby' - David Vernier. Contains: God Rest ye Merry Gentlemen * The Holly and the Ivy with James Galway * Let the Merry Bells Ring Round * Short Fantasy on a Catalan Carol with Angel Romero * The Angel Choir and the Trumpeter * The Toy Trumpet * Angels We Have Heard on High * Jesu, Joy of Man's Desiring with Richard Stoltzman * O Holy Night * Tuba Lullaby * Have Yourself a Merry Little Christmas with Harolyn Blackwell * Sleigh Ride

video:live	BOOTLEG Canadian Brass Concert	HL 00320198	19.95	Color, Stereo, ca.60 Minutes This was going to be it -- the last concert that these five members of the Canadian Brass would be sharing. video:live	Canadian Brass Live	HL 50488559	19.95	Color, Stereo, 50 Minutes * Produced by Gurtman and Murtha Associates, New York From their entrance down the main aisle playing "Just a Closer Walk" to their encore, an improbably combination of "When The Saints Go Marching In" and Handel's "Hallelujah Chorus," this quintet of artists created an atmosphere of total enjoyment in which laughter freely mingled with gasps of amazement. It's amazing to watch what a rollicking good time these five talented people have while performing. -- Excerpted from a video review in The Washington Post. The famous concert antics that separate the Canadian Brass from all other ensembles are captured in this lively example of the Brass at their best in performance. The highly-acclaimed video was a Rid Ribbon Winner in the American Film and Video Association awards. mouthp: y-cb	Yamaha CB Signature Mouthpiece - All Purpose Trumpet	Y-TRRCB-REP	55.00	As the role of the trumpet player crystallizes in this century, the equipment we have is seeing a great deal of refinement. 30 years in the CB has seen a giant stride towards tone quality as a number one concern, as opposed to how loud can one play. This mouthpiece features a V-cup, producing a much richer, darker tone quality. This is a musically very gratifying result. Trumpet players will find that ease of playing increases as well, since there is more cushion to the sound of this mouthpiece.	
mouthp: y-cb	Yamaha CB Signature Mouthpiece - French horn	Y-HRCB-REP	55.00	Since the horn in the CB is required to play all registers, all loudnesses, and all styles (Bach to Beale Street), this mouthpiece had to be the ultimate in flexibility. Although we know how great it sounds in the CB, we are amazed at the quick acceptance this mouthpiece is finding amongst orchestra players.	
mouthp: y-cb	Yamaha CB Signature Mouthpiece - Lead Trumpet	Y-TRLCB-REP	55.00	The CB set the standard for piccolo trumpet playing in the 20th century. This piccolo mouthpiece is very comfortable to play, extremely stable in the high range, and very pure sounding. As a second benefit, this mouthpiece makes an excellent lead mouthpiece.	
mouthp: y-cb	Yamaha CB Signature Mouthpiece - Trombone	Y-SLLCB-REP	65.00	Quintet and solo trombone playing is now taking a front seat in the design of this mouthpiece. In creating it, we were primarily concerned with richness of tone, clarity of sound, and tremendous carrying power. It has been surprising how effective applying the Arnold Jacobs V-design to my mouthpiece has been. I have also had great success using it on my euphonium.	
mouthp: y-cb	Yamaha CB Signature Mouthpiece - Tuba	Y-BBCB-REP	85.00	This tuba mouthpiece design continues the great Jacobs/Helleberg tradition. We have carefully determined weight proportions and placement to yield an exceptionally colorful result. This is an all-around mouthpiece as comfortable on a BB or CC as on F or Eb.

It is, simply, a bag that you can put your silver or gold plated trumpet in to protect it from tarnishing (not intended for lacquered instruments). The bag is made of a very soft cotton material, the inside of which is impregnated with a non-abrasive chemical that prevents tarnish from forming on the finish. Because the bag is so soft, it will also protect your instrument from getting tiny scratches from rubbing on the insides of most normal cases. When you come to our concerts, and visit backstage, you may see me putting my trumpet in this bag, and then in my gig bag." With CB logo. Without trumpet.
