QUALITY | DURABILITY | VALUE

Deluxe Desktop

Standard 104-key corded keyboard and optical mouse combination

For a hard working, durable and proven keyboard and mouse desktop offering that's as rugged in the field as it is in the classroom; there's simply no product better suited to government and education applications in addition to system builder bundles. Backed by the quality and superior customer support of the Logitech® global brand, this keyboard features a spill-proof, shock-resistant design as well as extra secure keycaps designed for high-use, high-activity environments.

Designed with simplicity in mind

The Deluxe Desktop is easy to install and fully compatible just plug it in the PS/2 port; turn on the system and it's ready for use.

A Dedicated Product Line

Logitech System Builder products provide an extensive selection of cost-effective mice, keyboards, video, and audio products. They offer the value and visibility of a leading brand, allow your customers to be more efficient, and integrate easily into your solutions.

World-Class Quality

More than 20 years as the leading manufacturer of OEM mice gives Logitech unique expertise in creating high-volume, premium-quality products.

All Select products are made at ISO9002-approved manufacturing sites and include a 3-year warranty.

User-Friendly Innovation

The Logitech® brand promises your customers maximum comfort and productivity. Leverage the power of the Logitech brand to differentiate your offerings, and delight your customers.
