

# **DO YOU WANT TO WORK ON A FUN PROJECT AND GET CREDIT FOR SERVICE HOURS?**

## **Then come help with Adam Levin's Eagle Scout Service Project, Saturday-Sunday, December 12-13, 2009**

We're going to construct and install a foot bridge across a seasonal creek at Franklin Canyon Park in the Santa Monica Mountains. The Franklin Canyon Park entrance is at 2600 Franklin Canyon Drive, Beverly Hills, CA 90210, just south of the intersection of Coldwater Canyon and Mulholland Drives. You may participate either or both days, Saturday and/or Sunday.

We'll provide lunch, refreshments and expert support from a great landscape contractor. You'll get to help put up this bridge, beautify a park, and get credit for service hours.

Volunteers must sign up in advance, so please email [adam@cycads.com](mailto:adam@cycads.com) if you would like to hold a spot, then fill out the attached form you'll need to bring with you to the project. Call (310) 276-0137 if you have any questions. Thanks!
