about

Shooting & Hunting Hearing Protection

Hearing damage is permanent. Defend your ears from gunshot noise with smart ear protection.

Electronic Shooting Ear Muffs

- Great protection from blast noise
- Block out only dangerous sounds
- Clearly hear voices and game sound
- Over-the-ear fit

Electronic Shooting Ear Plugs

- Same benefits as Electronic Ear Muffs
- Choose from 2 hearing modes on the fly
- Up to 5x amplification of safe sounds
- Situational awareness & overall safety
- Low-profile in-ear fit

Other solutions include foam ear plugs and reusable ear plugs for shooting. These offer fewer features and no sound amplification, but they'll still save your ears.
