The service and the price were excellent. The shipping was a little slow due to the holidays.

Could not have been happier with the service and the product from Ergonomic Furniture. They absolutely went above and beyond to make us a happy customer. Everyone in our office agrees... the printer cover has made an incredible improvement. We hardly know when the printer is in use now! Ergonomic Furniture made a true, lasting friend and customer with us.

Their return policies are a bit too stringent for an internet store. Good thing the product I purchased seems very good.
