Dear *Cadex*® Distributor,

Delivered VIA FAX

It gives me great pleasure to announce that effective today, e-pill, LLC has acquired the assets of Cadex Products, Inc. of Ketchum, Idaho. Our company will market the Cadex Medication Reminder Wristwatch worldwide. As a highly valued Distributor of Cadex Alarm Watches, we promise to make this transition easy for you. Starting today, all of your Cadex Watch products may be purchased directly from e-pill, LLC along with any of our other e-pill® Medication Reminders.

Improve Patient Compliance & Medication Adherence

e-pill, LLC is a leading provider of electronic medication reminders and is a rapidly growing medical device company located in the Boston area. Since 1999 we have focused on innovative ways to monitor medication taking and helping patients remember to take their medicines correctly (right time, right meds, right dosage). We offer a comprehensive line of compliance devices (presently over 30 SKUs) to accommodate almost every possible application for individual patient needs. We are proud to announce today that Cadex Alarm Wristwatches have joined the growing e-pill family of products. Please visit us at on-line at www.epill.com to view our entire line. When ordering Cadex products, please refer to the following SKUs:

- #952431 Cadex SILVER 12 Alarm & Medical ID Watch (each)*
- #952433 Cadex BLACK 12 Alarm & Medical ID Watch (each)*
- #952432 Cadex Pendant Kit (each)*

Pricing on Cadex products will remain unchanged until April 1, 2007. Our standard payment terms are net 30 days.
