RUE DE LYON

SOHO COLLECTION 7684

2

Construction - Construction consists of cherry veneers, select hardwoods and wood product with a chocolate patina finish. Tops are of cherry veneer on wood banded wood product with rounded edges. Drawers feature three-sided construction of 7/16" wood dovetailed to drawer fronts. Top located drawer fronts are solid maple or poplar. Other drawer fronts are cherry veneer on wood product with raised, solid wood framing.

Styling - A sophisticated Louis Philippe styling is the focus of Rue de Lyon with generously shaped crown and base mouldings, picture frame drawer and door fronts, rounded top edges and classic arch shaped details.

Function - All drawers are suspended on ball bearing slides. Box drawers have 100 lb. rated slides; file drawers have 150 lb. rated slides and keyboards have a 50/75 lb. rating. All file drawers are equipped to accommodate front-to-back letter sized or side-to-side legal sized hanging file folders. All cases are equipped with levelers to adjust for less than even flooring.

Computer applicable furniture features cable grommets or other access openings for easy and neat computer cable management.

RUE DE LYON

SOHO COLLECTION 7684

Inspired by the Louis-Philippe design, Rue de Lyon expertly blends old world styling and modern functionality. The collection is crafted from maple solids, select hardwoods and American cherry veneers on select wood products finished in a rich chocolate patina that shows off its cleanly flowing lines and bold classic arches. Function is premier with all drawers having metal, fully extending slides, built-in cable accessibility, adjustable levelers, and task and canister lighting, where appropriate.
