SC310

Bluetooth® Car Kit

Combining great design and ease of use. Just plug the car kit into the cigarette lighter socket (it adjusts to fit in any car) and it will automatically connect to the phone. That's all.

NO INSTALLATION REQUIRED

Adjustable arm for perfect fit

Plugs into universal cigarette lighter socket - fits in any car

Full duplex and DSP

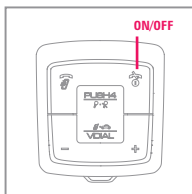

Advanced technology for natural and clear sound

Push4™ Favourite number button

Store your favourite number for direct dialling

PAIRING

1. Activate Bluetooth on your mobile phone
2. Plug in the SC310 in the cigarette lighter socket. The car kit is already turned on and in pairing mode (Only the first time*)
3. Search for new device in your mobile phone
4. Select your SC310 from the list
5. Enter PIN number: 0000

If pairing is successful, the Indicator Light will flash every 5 seconds.

(*) For additional pairings, press the Push4™ button for 5 seconds
