SH505

Bluetooth® Wireless Headset

With its distinct design, the SH505 blends in unique features such as touch sensitive controls which allow control of the headset volume just by lightly touching its surface, an extended talk-time of 10 hours and the practical Push4™ Favourite number button.

A U T O M A T I C P A I R I N G

(Pairing for the first time)

1. Make sure your headset is charged
2. Activate Bluetooth on your mobile phone
3. Turn on the headset.
The headset is already in pairing mode (*)

4. Search for new device in your mobile phone
5. Select your headset from the list
6. Enter the PIN number: 1111

If pairing is successful, the Indicator Light will flash every 3 seconds.
(*) For additional pairings, press the ON/OFF button for 5 seconds
