PD-150

FENDER® PASSPORT® DELUXE

Portable Sound System

Following in the footsteps of the Passport PD-250, the PD-150 is a smaller and more portable version. The PD-150 features a four-channel mixer, 150-Watt stereo power amp and a specialized DSA speaker design. Weighing just 28 lbs., the PD-150 is excellent for small presentations, school and church programs.

The Passport PD-150 is perfect for use in:

- Perfect for groups up to 300 people in size
- Corporate presentations
- Fire/rescue departments
- Funeral services where remote PA systems are required
- Police departments/SWAT teams
- Schools
- Sporting events

The Passport PD-150 has the following features:

- Black luggage-style molded case that protects the product during transportation from physical damage and the elements
- 28 lbs.
- Four-input mixer: three mic/line, one mono/stereo
- Operates on AC or with Passport DC power accessories
- 150 Watts (75 per channel) stereo
- Digital reverb
- Proprietary DSA speaker design featuring one 5.5" woofer and dual arrayed 2.75" tweeters per cabinet
- One P-51 microphone (with mic clips, cables and individual carrying pouches)
- Two 20' speaker cables
- Compatible with Passport wireless accessories
