Announcing Imperial Foods 2010 Holiday Buying Spree

July 2010

Imperial Foods is proud to present our 2010 Holiday Buying Spree. In partnership with many of our vendors, we have put together a program to save you, our valued customers, valuable time and money in putting together your 2010 holiday order.

Here is a sampling of just some of the savings to be found: Boxco 20%, Nikki's Cookies 10%, Too Good Gourmet 5%, First Colony Coffee & Tea 20%, Ghirardelli 10%, Lindt 5%- 8%, Walkers Shortbread 15% and many more. As an added bonus, if your order exceeds \$1,000.00, you get an **additional 3% discount**. Orders over \$2,500.00 receive an **additional 5% discount**. There are over 1,000 items for you to save money on!

Order by August 31, 2010 and we will deliver your order in October. You can add non-discounted items from the catalog, not shown as sale items, at the end of the order form. We are working hard to be your **one stop gift baskets source**.

If you want to extend the costs, we have left space for you to do that. One of our customer service representatives will call you to confirm the total amount of the order and to give you an estimated shipping date.

You can mail the completed order back, or you can fax it. Be sure to include the shipping address and your credit card information. Please call us to confirm that we received it if you do not receive a call from us.

And just to make this deal even more special, check out your **free freight level**. It will apply on this order. So not only will you save money on the products themselves, but if your order meets the zone free freight requirements, it will be shipped **with no freight charge**. That's a winning combination: great discounts and free freight! It's our way of saying Happy Holidays to you, our great customers.
