

**A Food Mill Worthy
Of The OXO Brand Name.**

The OXO Good Grips Food Mill is the perfect tool for preparing fresh purees, sauces, soups and more. It has a stainless steel inner bowl that is ideal for hot foods and includes three stainless steel grinding discs for fine, medium and coarse textures. It also features a unique release button that makes it easy to change discs and easier to store. Three non-slip legs hold the Food Mill securely over bowls and pots up to 11" in diameter, keeping it out of your food. The legs fold up for easy storage. All parts are dishwasher safe.

**NEW! Silicone Pot Holders Come In Handy
Around The Kitchen.**

Heat resistant to 675° F, these 7" silicone squares are slip resistant, flexible and dishwasher safe. The waffle-weave grid design has a cloth-like feel and contours to your hand while diffusing the heat. They won't stain or absorb odors and make perfect pot holders and trivets. They even peel garlic cloves and loosen stubborn jar lids!

Now You See It, Now You Don't!

With this collapsible colander, you'll become a magician in the kitchen. Push the silicone out for a fully functional colander and then flatten it for storage. At only one inch thick, it fits in places that you'll have to see to believe. This innovative colander also has a lip, allowing it to rest within pots and pans and holds up to 12 ounces of your favorite foods. Constructed of 650°F heat resistant silicone.

Chef'n Collapsible Silicone Colander #COL 542 AV (Avocado) (20823) M.S.R.P. \$19.99 Our Price \$15.99

The User-Friendly Mandolin Slicer From OXO.

The OXO Mandolin is the perfect tool for creating culinary sensations quickly and easily. Straight and wavy blades can be set to any slice thickness and are ideal for making potato chips, onion rings and citrus slices. Try making French fries, carrot sticks or garnishes with the thick and thin julienne blades.

Turn the soft dial to select your slice thickness or julienne setting. A soft comfortable handle is set lower to keep
