A Breakthrough In Knife Sharpening!

This three-stage Professional Sharpening Station from Chef's Choice is the ideal sharpener for most brands and types of knives. It sharpens both fine edge and serrated blades and offers precision angle guides for skill free operation. Perfect for sharpening, steeling or stropping, it creates the world's sharpest and most durable edges everyday.

Steel Like A Professional Chef.

The SteelPro from Chef's Choice is much easier and safer to use than conventional steels; the precise angle guides take all of the guesswork out of steeling your knife. It also extends the life of your knives because the edges need to be sharpened less often when you use the SteelPro.
