

CREATIVE COOKS

HOT! **Silicone Food Loop Keeps Foods Together Better Than Twine Or Picks.**

This ingenious silicone Food Loop makes stuffing, rolling and tying your food together for cooking a cinch! No more fumbling with messy twine or toothpicks that never seem to work. The Food Loop keeps all of your fillings neatly tucked inside and your food securely wrapped during cooking. Because the silicone Food Loop is non-stick it doesn't destroy delicate foods like twine when you remove it for serving. It's heat resistant to 675° F, adjustable from 1" to 4" in diameter, reusable and dishwasher safe. Set of four silicone Food Loops.

In the words of that renowned French Chef, Escoffier, "Faites Simple." In other words, "keep it simple." While getting down to business in the kitchen requires a true passion for cooking and the equipment that can get the job done, it doesn't have to be complicated. Fresh, quality, in-season ingredients and simple cooking techniques are the core of American cooking today. From sautéing to searing we've got the cookware, know-how and kitchen tools to help you master this fine art.
