

**NEW!** *The Joy Of Cooking.*

Seventy-five years ago, a St. Louis widow named Irma Rombauer took her life savings and self-published a book called *The Joy of Cooking*.

Her daughter Marion tested recipes and made the illustrations, and they sold their mother-daughter project from Irma's

apartment. Ethan Becker, Marion's son, leads the latest generation of *JOY*, still a family affair, into the 21st century. Discover the witty, clear voices of Marion Becker and Irma Rombauer, whose first instructions to the cook were "stand facing the stove."

**Grind Like A Pro!**

The Peugeot grinding mechanism features channeling grooves that line up the peppercorns with the grinding wheel. This allows the pepper to be cracked in half before the actual grinding process, making grinding easier and more consistent. Handsome black wood and stainless mills stand 8" tall and feature a grind adjustment at the top.
