

### Mini chocolate fondues

When you want to turn rich chocolate sauce and juicy strawberries into a decadent dessert, spoon the sauce into perfectly portioned eggcups.

### TINY TWINKLERS ▶

Tea lights are a girl's best friend when it comes to entertaining: They're not tipsy like tapers, they don't get in the way of plate passing and you can get a bunch for a steal. You'll make these flickering flourishes even more fabulous when you nestle each one into a ribbon-adorned eggcup. Not only do the candles fit perfectly inside, but the cups will catch any wax drips.

With their classic shape, these eggcups exude understated glam. White Porcelain Egg Cups, \$5 for two, from [KitchenKapers.com](http://KitchenKapers.com) or call 800-455-5567.

### ◀ DIPPING-SAUCE SOS

Take-out doesn't have to mean tacky when stylish is so easy. A simple twist, inspired by Manhattan hot spot Buddakan (which serves Asian take-out favorites with flair), is to set a soy sauce-filled eggcup in the middle of a square plate and surround it with sushi. The result: minimalist elegance with minimal effort!
