

## It takes the cakes

Go ahead and be a show-off with **Wilton's Cupcakes 'N More Dessert Stand**. It's perfect for showers, birthday parties, weddings and other gatherings. Use it for brunch muffins, as a centerpiece for fruits, or even single servings of nuts.

The holding rings in this "tree" of sil-

very metal are tipped slightly to display decorated treats. The stand, which measures 12 by 13 inches, collapses for easy storage.

**Cupcakes 'N More Dessert Stand, \$29.99, at Kitchen Kapers stores or online at [www.kitchenkapers.com](http://www.kitchenkapers.com).**
