The Revere Coastal Elite has every bell and whistle possible and is the lightest weight raft in its class starting at just 45 lbs! Offering a spacious 4 square feet per person, the Coastal Elite also includes a heavy duty boarding ladder for entry assistance. The Coastal Elite also includes an inflatable floor, stowage pockets, zippered windows, flashing strobe, extra large ballast pockets, an extensive equipment pack including USCG/SOLAS flares plus much more. A training CD-ROM comes with the raft to help you and your crew prepare for use in an emergency situation. Coastal Elite is vacuum-packed to add greater protection against the environment and minimize servicing costs as service is required just once every three years.
