

SURVIVOR™ DITCH BAG 1.0

DESCRIPTION

- Unique design keeps emergency supplies afloat and dry
 - Inherently buoyant with closed cell foam between lining walls.
 - Includes two (2) UST Dry Bags inside to keep items dry and provide extra buoyancy.
 - Additional UST Dry Bags available separately from local retailers.
 - Capacity for up to 8 UST Dry Bags.
- Includes two large mesh zippered compartments inside
 - Each compartment has two lanyard lines with snap hook ends to secure UST Dry Bags in place.
 - Allows your ditch bag to be fully opened in water without your contents falling out, sinking, or floating away.
- Large EPIRB/PLB storage pocket outside
 - Universal size with full cover drawstring top adjusts to any model.
 - Snap hook lanyard to secure unit
- For night time visibility, retro-reflective material applied on handles, edge binding, and logo markings.
- Tether line stored in handle grip pocket
 - 10 ft (3 m) long
 - Snap hook end to attach to life jackets or liferafts, or simply loop around an object and clip back over the tether strap
 - Lime Green color with retro-reflective tracer strip for better locating day or night
- High flow grommet at each corner allows water swamped bags to be quickly drained for retrieval into liferafts without having to open the bag. Keeps the interior of the raft drier as well
- Durable, slide/slip resistant bottom
- Rugged non-corroding nylon zippers and sliders inside and outside.
- See-through window pocket on front for vessel ID card

UST Rolltop Drybags included (QTY of 2)

- Roll-top closure provides waterproof seal. Roll-top closure must be closed correctly (rolled 3 times and buckled) to keep contents dry.
- D-ring on dry bag attaches to lanyards inside ditch bag.
- Also sold separately
