

Skin Activator™ Daily Replenishing Cream

Herbalife has combined the power of Cellular Nutrition® with an advanced skin-care formula to create a product that can help your skin look and feel younger. The result: Skin Activator™ Daily Replenishing Cream.

Skin Activator™ Daily Replenishing Cream helps provide your skin with the nourishment it needs to regain a smoother, firmer, more youthful appearance. This rich yet light formula contains many skin-improving ingredients including glucosamine, almond oil, green-tea antioxidants and sugar, which all work in harmony to penetrate the surface of the skin and increase levels of moisture and suppleness. With continued use, you'll see a reduction in fine lines and wrinkles, and more youthful-looking skin.

Now you can complement your Outer Nutrition® Program with Inner Nutrition. Cell Activator®, like Skin Activator™ Daily Replenishing Cream supplies the essential nutrients your cells need. Use these products to enhance your overall well-being, and good health will shine from the inside out.

Did you know?

Independent clinical studies on the effects of the same glucosamine complex in Skin Activator™ Daily Replenishing Cream, used regularly for four weeks, have shown: a reduction in fine lines and wrinkles, an improvement in skin firmness, and enhanced skin-surface texture and skin-moisture content. Glucosamine has been found to help joint and muscle ache due to wear and tear which is why this renewing ingredient is also found in Herbalife's Joint Support-Glucosamine with Herbs and Skin Activator™.
