

New and Improved Herbal Aloe Bath and Body Bar

Gentle, effective cleansing with Aloe.

Healthy skin begins with clean skin. Most bar soaps can leave your skin feeling tight and dry.

New and improved Herbal Aloe Bath and Body Bar is the latest addition to the Herbal Aloe family of products. With more aloe vera than before, it leaves skin feeling moisturized and clean. With a blend of aloe vera, vitamins A and E, grape-seed oil and pure olive oil, the Bath and Body Bar cleans, gently and effectively. It's so mild you can use it for both facial and body cleansing. And you will love the new fresh, clean scent.

DISCUSSION POINTS

- Made from aloe vera gel, a conditioning soothing agent.
- Combined with antioxidants vitamins A and E.
- Vitamin A, grape-seed oil and pure olive oil act as moisturizing, skin-conditioning agents.
- Glycerin works as a humectant.
- Specially blended with herbs and plant extracts to cleanse gently while helping retain skin's natural moisture.

DID YOU KNOW?

While other bar soaps may clean, they can leave your skin feeling tight and dry. And they strip away your skin's moisture. Herbal Aloe Bath and Body Bar leaves your skin clean, healthy and feeling moisturized while delivering a new fresh, clean scent.
