

Music Matters Most

For the past twenty years, international baby music expert and *Lovely Baby CD* creator, Raimond Lap, has been advising parents about the importance of music as it relates to their babies' development.

If you haven't been using music as part of your baby's daily routine, now is the perfect time to start. In light of the current controversy over the use of videos for infants, Lovely Baby wants you and your baby to experience the finest music for babies in the world.

Lovely Baby is proud to announce the **Music Matters Most** program. Send us any baby DVD/video and receive 50% off one single CD title **OR** 25% off one box set. (see titles and prices below). We'll even throw in **FREE SHIPPING**. Offer valid in U.S and Canada only.

To take advantage of this limited-time offer, **CIRCLE** the CD of your choice, fill in the customer and payment information and enclose this entire page with the DVD or video you are exchanging. All submissions must be sent to:
