This coming Christmas season, our pastor will be preaching through a unique biblical series, “From Humbug to Hallelujah,” which makes references to Charles Dickens’s classic tale, *A Christmas Carol*.

Our journey from Humbug to Hallelujah will involve:

1. Preparing for a Christmas you’ll never regret
2. Breaking Christmas chains forged in life
3. Reawakening the joy inherent in Christmas
4. Valuing relationships especially at Christmas
5. Writing a good ending to your “Christmas Carol”
6. Celebrating a Christmas of miracle transformations
7. Honoring Christmas in your heart all year long

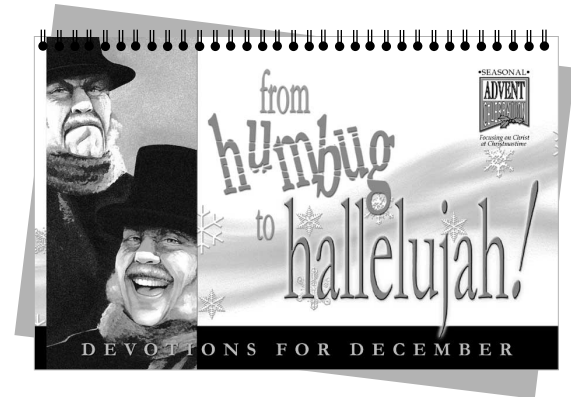

A special “Devotions for December” Calendar is available for your use during this series. Filled with daily devotional thoughts and scriptures, it **will help you remember the Christmas sermons (above) and keep you focused on Christ at Christmastime.**

If you want to order some for your family or as gifts for others, fill out this form and drop it in the offering plate soon. You can pick up your Devotional Calendar(s) starting the Sunday before Thanksgiving.
