The Vitalizer

Retail Price: \$324.00
Dimensions: 16W 14H 12D
Weight: 17lbs.
Warranty: 3 years parts, 1
year labor

The Vitalizer effects you body and major body systems in three following ways:

- Moves blood and toxins through the body.
- Passively exercises the back muscles and oxygenates the spine.
- Improves digestion and reduces constipation.

The zero gravity device moves the blood and toxins through the lower half of the body, while the higher speed agitation moves them through the upper half of the body. The swinging motion will stretch your back while passively exercising it for better weight control and cholesterol reduction. The plaque that forms inside the lining of your intestinal tract will break free with the agitation and once passed through your bowels, you will have less constipation, digest your food better and get more nutrition from your meals. Health Oxy-Twist Device Deluxe massager (The-Vitalizer), uses a strong motor that has high temperature grinding resistance, pounding resistance, strong alkali acid resistance, and is made with the highest quality PS plastic. The new ankle base is made up of a soft material that can be easily taken off for cleaning purposes and does not rupture easily. The Vitalizer features a remote variable speed control with timer and all the extras mentioned above!

This new device uses high temperature grinding resistance, pounding resistance, strong alkali acid resistance, very adhesive and with the highest engineering PS smoothness plastic. The base uses concave protruding surface strengthening the steel plate, never to become deformed and would not rupture.

Reflex Roller

Retail Price: \$249.00
Dimensions: 19W 12H 8D
Weight: 12lbs.
Warranty: 2 years parts, 1 year labor

The Reflex Roller Massager is the ultimate reflexology foot and body massager. Be sure that it will bring you many hours of the most exquisite massage you have ever derived from a machine! Previously only available from a "Hands on Massage", you can now enjoy all of the benefits of a professional massage any time and anywhere. The Reflex Roller Massager combines the ancient Asian principles of Shiatsu and reflexology into a device that will literally "Tickle your senses." Reflexology recognizes that there are some reflex points in the feet directly related to internal organs. By stimulating these acupressure points, different vital functions may be stimulated to enhance overall well-being. The Reflex Roller helps to relieve nervous tension, activates nerve endings in your feet, improves blood circulation, stimulates the internal organs, aids in restoring restful sleep, renews vitality and health.

- Helps Relieve Nervous Tension
- Stimulates Nerve Endings in the Feet
- Improves Blood Circulation
- Provides Relaxation
- Aids in Restoring Restful Sleep
- Renews Vitality and Healthy Living
- Great for home or the office

- Variable speed control
- Directional control (Fwd, Rev)
- Kneading and rolling action
- For Foot, Calf, Thigh, Waist & Back
- Great for Home or Office
- Removable, washable cloth

Using **ROLLING** and **KNEADING** action with a variable speed control, the Reflex Roller is the most effective kneading massager on the market today. You can adjust the pressure of your massage by placing additional padding such as a towel over the rotating roller. The Reflex Roller has directional control (Forward, Reverse) to properly move blood and toxins in the correct direction.
