

LEUPOLD® FX™-I 4X28MM RIMFIRE RIFLESCOPES

What makes a fixed power rimfire rifle scope a fixture on top of the best selling rifles? Superior optics, repeatable accuracy, and dependable reliability. That's the ideal description for our FX™-I 4x28mm Rimfire rifle scope. A standard multicoat lens system delivers crisp, clear visuals with exceptional contrast and target definition. Micro-friction adjustments make precision tuning for

windage and elevation quick and easy. A Fine Duplex® reticle is ideal for the smaller game targets associated with rimfire shooting, while generous eye relief makes for faster target acquisition. And, like every Leupold® scope we make, our rimfire edition is fully waterproof and fog proof, and backed by our legendary Full Lifetime Guarantee. Available in matte or gloss finish.
