

TACTICALPro

electronic headsets

When clear ambient sound and voice recognition is required in your noisy environment, rely on the latest line of electronic headsets from Peltor. The **TACTICALPro** has been designed with a unique frequency response that amplifies signals, voices and warning sirens while at the same time instantaneously suppressing dangerous impulse noises. This headset is the perfect choice for a wide variety of applications including:

- ▶ Gun Ranges
- ▶ Fork Lift Drivers
- ▶ Airport ground personnel
- ▶ Maintenance mechanics
- ▶ Hearing Impaired Workers

- ▶ **NRR of 26 dBA**
- ▶ **Folding headband design**
- ▶ **Can be used with portable radios**

TACTICALPro

electronic headsets
