## **OpticsPlanet, Inc. Announces The Addition Of L-3 Eotech Night Vision And Thermal Imaging**

*OpticsPlanet, Inc. Now Carries the Distinguished Line of L-3 Night Vision Devices*

PRLog (Press Release) – Feb 16, 2009 – Northbrook, Illinois – OpticsPlanet Inc., the leading online optics retailer, now carries the newly released, highly distinguished night vision and thermal imaging equipment from L-3 EOTech. L-3 EOTech has always been in the forefront of HOLOgraphic weapon sight conception, and now L-3 Communications is offering thermal imaging and night vision devices to their vast military stronghold. With such an unparalleled demand for night vision scopes, OpticsPlanet is proud to unveil the newest line of night vision products from EOTech Optics that are sure to stand tall aside all of the L-3 and Thermal Eye devices.

L-3 Communications is one of the largest defense companies in the United States and is a leader and prime defense contractor in Intelligence, Surveillance and Reconnaissance (ISR). L-3 EOTech and Thermal-Eye products have seen a tremendous growth in sales at OpticsPlanet, and will continue the trend well into the future. With such an outstanding potential for expansion, it was only natural to offer high quality night vision sights. EOTech HOLOSight, along with Thermal Eye infrared security cameras have always been the premier choice for law enforcement and military professionals, and EOTech holographic sighting systems are among the finest and most respected weapon sights available. L-3 EOTech thermal imaging cameras and night vision systems looks to be regarded in a similar light, observed in the innovative design of the Generation 3 Night Vision scopes and their 2.25x Night Vision Weapon Sight. L-3 Communications is the brand that the U.S. military depends on, and OpticsPlanet.com is where to find it.

OpticsPlanet strives to provide the latest technological breakthroughs in the optical industry, and these EOTech night vision sights and thermal imaging cameras offer military and law enforcement professionals the power and advanced technology that they demand. Package them with a 100% satisfaction guarantee, free shipping, and unmatched customer service and OpticsPlanet.com may become your only resource for tactical equipment, red dot and laser sights, scopes, and night vision gear. About OpticsPlanet: Based in Northbrook, Illinois, OpticsPlanet, Inc is the leading online optics retailer with a wide selection of sport and LE optics, as well as tactical and military apparel and gear, flashlights, holsters, accessories, sport, safety, and ballistic eyewear. OpticsPlanet.com and Tactical-Store.com online stores offer serious product knowledge, exceptional customer service, and an outstanding product selection to customers worldwide.
