Although Safariland has attempted to provide accurate information regarding which specific holster models were designed to accommodate specifically identified handguns, human error such as typographical mistakes can and do occur.																											
Therefore, Safariland disclaims any responsibility or liability for, or the consequences resulting from, such errors and urges any user of this information to personally check for holster/handgun compatibility using the actual product.																											
RLS NOTE:																											
The RLS will also fit Shotguns & Long Guns with Picatinny Light Rails																											
Most Handguns with Standard Light Rails																											
N/A for Handguns without Light Rails

Although Safariland has attempted to provide accurate information regarding which specific holster models were designed to accommodate specifically identified handguns, human error such as typographical mistakes can and do occur. Therefore, Safariland disclaims any responsibility or liability for, or the consequences resulting from, such errors and urges any user of this information to personally check for holster/handgun compatibility using the actual product.
