Displays and Speaks the Translated Phrase

Use the LCD screen to display translated phrases or let the built-in speaker pronounce it for you.

Switch Languages with the Press of a Button

Be confident in areas with more than one national language. Spend the day shopping in Little Italy, have dinner in Chinatown, and effectively communicate in both! Simply press the "Change Language" button to switch languages when ever necessary.

Easily Access Frequently Used Phrases

If you find yourself repeatedly using the same phrases, you can add them to a list of frequently used sentences and recall them with a press of a button.

Sleek & Compact

Don't weigh yourself down while you travel. The ENTOURAGE fits in the palm of your hand and can be placed conveniently in a pocket or purse for easy access.

Don't Miss a Thing with a Built-in Alarm Clock

Set the alarm on your ENTOURAGE to help you stick to your busy travel schedule!

Keep In Touch with People You Meet

Add new contacts you meet on your trip or keep track of the phone numbers of hotels, embassies, and other important contacts.

Translate and Communicate Day & Night!

The LCD screen is backlit, allowing you to see while in restaurants with dim lighting or while in a dark taxi.
