NVDV3-8250N MPEG-4 Digital Video Recorders

Digital Video Recorder - NVDV3-8250N MPEG-4 Digital Video Recorders, NVDV3-8250N

| | |
|---------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Code | NVDV3-8250N |
| Description | <p>The NVDV3-8250N from Nuvico is an 8 channel digital video recorder with MPEG-4 compression format. The NVDV3-8250N offers a quadruplex function that allows simultaneous record, playback, network, and backup high resolution. It has a user friendly graphic menu. The NVDV3-8250N includes an embedded Linux operating system and supports NTSC and PAL standards. It offers various multi-screen displays such as live monitor, playback and remote view.</p> <p>The NVDV3-8250N a built-in multiplexer. It supports various PTZ protocols and facilitates time synchronization between multiple DVRs.</p> |
| Specifications | Values |
| Video Format | NTSC/ PAL auto detect |
| Operating System | Embedded Linux |
| Quadruplex function | Simultaneous Record / Playback / Network / Backup High Resolution |
| Video Input | 8 |
| Video Output | 1 Main monitor, 1 spot,1 VAG |
| Loop Out | 8 |
| Video Compression Method | MPEG-4 |
| Average File Size | 2.5 ~8 KB |
| PTZ Dome & Controller Interface | RS-422/485 |
| Camera Title | 12 characters per channel |
| Recording Modes | Continuous, schedule, alarm, motion |
| Recording Adjustments | Frame rate, and picture quality adjustment per channel |
| Search Modes | Time& Date, camera, alarm, motion |
| Power Failure Recovery | Auto reboot while maintaining previous record setting |
| System Utility | Auto key lock / disk check / fan lock detection |
| Password | 1 Admin, 5 configurable users |
| Internal Back-up Device | DVD-RW |
| External Back-up Device Support | USB Thumbdrive |
| MCD – Player for Backup | Auto installation into DVD during backup |

| | |
|-----------------------|----------------------------|
| Communication Port | RS-422/485 |
| Internal HDD Bay | 3 bays(PATA) – Up to 1.5TB |
| Network | LAN, WAN, Internet |
| Power | 100 ~ 230VAC, selectable |
| Power Consumption | DC 12V, 5Amp |
| Dimensions | 360(W) × 340(D) × 100(H) |
| Weight | 6 kg |
| Operating Temperature | 0°C~40°C |

● Features

- Various Recording Modes Continuous, schedule, alarm, motion
- 16 Selectable grids/20 Sensitivity levels of Motion Detection Per Channel
- Auto reboot for Power Failure Recovery
- Auto installation into DVD during backup
- Auto key lock / disk check / fan lock detection
- Software up gradation via USB thumbdrive

Terms & Policies:

Pricing:

We make every effort to provide you the most accurate, up-to-the-minute information, but mistakes do occur, and we must reserve the right to make corrections, adjustments or changes without notice. If you have ordered an item that is subject to a price increase, we will hold your order and inform you of the increase.

Availability:

The availability information presented on our site is the best, most current information we have, but errors do occur, and this information does not constitute a guarantee or promise of availability. If a product you have ordered is not available for shipment, we will do our best to let you know. Anticipated delivery dates are dependent upon our suppliers and other factors beyond our control, and are subject to change.

Payment:

At this time, Surveillance-Video.com accepts the following payment methods: American Express, VISA & Master Card, Discover Card, Paypal.

All credit card orders are subject to verification and approval by the card-issuing bank. For your protection, credit card orders shipped to an address other than your billing address may require additional verification. Surveillance-video.com reserves the right to contact you by email or telephone to request additional identification. We may reject orders if the verification fails.
