# CLUB CAM Series LOW LIGHT COLOR CAMERAS

Our Club Cam series of cameras provide brilliant color video surveillance in low light conditions without the need for IR illumination. Perfect for bars, clubs, restaurants and any area where normal lighting is not present. Our Night Vision Technology eliminates the need for traditional LED illuminators.

- Night Vision Technology - True Color even at 0.01 lux
- Night time protection for your home or business. NO LEDs to give away camera location
- Compact Size: EC-CLUBCAM1 is Only 2" x 2" x 2" in a black case
