Changing the
way people sit

Freedom's advanced
technology has made
sitting simple. Now you
can think about your
work, rather than worry
about your chair.

freedom[®]

Standard Features

Revolutionary recline mechanism automatically adjusts to your unique body weight.

Synchronous armrests for unparalleled ease of adjustment.

Dual Pivot backrest automatically adapts to the changing needs of your spine.

Optional Features

Dynamic headrest that moves automatically as you change positions.

Gel seat cushion for maximum comfort.

The key to healthy and comfortable sitting is being able to move without restrictions. And that's exactly what Freedom is all about.

Creating a more
comfortable place
to work
