Smart One® 72

- » The Smart One® 72 seats two users and has two independently adjustable keyboard platforms.
- » The platforms adjust from 25" to 37" high and are angle-adjustable as well.
- » The 16" deep monitor platform accommodates larger monitors and a printer.
- » Cable trays and desktop grommets control wires and cabling.
- » Built-in CPU holders feature hook-and-loop straps to accommodate CPUs of different sizes securely.
- » The workstation features a heavy-duty black powder-coated steel frame with tops constructed of a gray high-pressure laminate bonded to a 1 1/4" thick MDF core.
- » Heavy-duty 3" EZ Casters are available separately.
