

WETSUIT RENTAL AGREEMENT

Thank you for renting a wetsuit from TriSports.com! We appreciate you choosing us to suit you up for your race. By renting with us and allowing us to charge your card, you agree to the following regarding the wetsuit rental:

- **You will return the suit in a timely manner.** We require that the suit be shipped back to us with the included return label (if the suit was shipped to you) within 2 days after your race. If this cannot be done, you must make prior arrangements with us. If prior arrangements are not made, rental fees will be taken out of your deposit for each weekend after your race until we receive the suit. If you ship it back within 2 days of your race and the transit time takes it through the next weekend, no additional fees will apply.
- **Please take care when using the suit.** Triathlon wetsuits are fragile and can tear easily from contact with fingernails or other sharp objects. Even the shortest nails can tear a wetsuit. We do inspect every suit for fingernail holes when they are returned. There will be a \$5 repair fee taken out of your deposit if we need to make minor repairs due to these types of tears. In the case of damage beyond the abovementioned tears or loss of the wetsuit, TriSports.com reserves the right to use part or the entire sum deposited by the customer to either repair the damage or purchase a new suit if necessary. TriSports.com shall be the judge of what constitutes damage to the wetsuit. Only lubricants designed for wetsuit use (BodyGlide, Sportslick or Blister Sheild) may be used – **DO NOT USE COOKING SPRAY OR PETROLEUM-BASED PRODUCTS.**
- **Condition of suit.** Please rinse the suit completely with cool, fresh water after use. Leave inside out and hang to dry, and please wait until completely dry to ship back to us (2 days should be plenty of time for that). The wetsuit shall be returned in the same condition as it was taken. Please do not make any alterations to the suit. You are responsible to return the suit in the same condition it was rented (except for normal wear and tear). Please do not use duct tape or pins on your rental wetsuit!
- **TriSports.com is not liable for the safety of any athlete wearing the suit during the rental period or thereafter.** The athlete/customer renting the wetsuit assumes all responsibility for their safety.

Thank you for taking care when using this wetsuit. We hope that it makes you warm and fast! Please follow the following instructions for returning the suit using the included return label:

- Pack the wetsuit carefully to avoid damage.
- If you re-use the original packaging, please make sure you remove or cover up any labels on the box.
- Seal securely with packing tape.
- Remove the backing from the enclosed, pre-paid UPS label and affix it to the package.

Bring your package to any UPS authorized facility (UPS Store, most large office supply stores, or any UPS facility, to name a few). Your employer may also receive regular UPS service, so the driver there can take it, as well. If you need help finding a drop-off location, call 1-800-PICK-UPS or log onto www.ups.com.

If you have questions or require additional assistance, please call us at 888-293-3934.

At TriSports.com, we are dedicated to providing excellent customer service and satisfaction, as well as offering reasonable prices on unique products specifically designed to enhance your performance. We hope that you have a great race and that we can be of service to you in the future!

Sincerely,

The TriSports.com Team
