

Features & Benefits

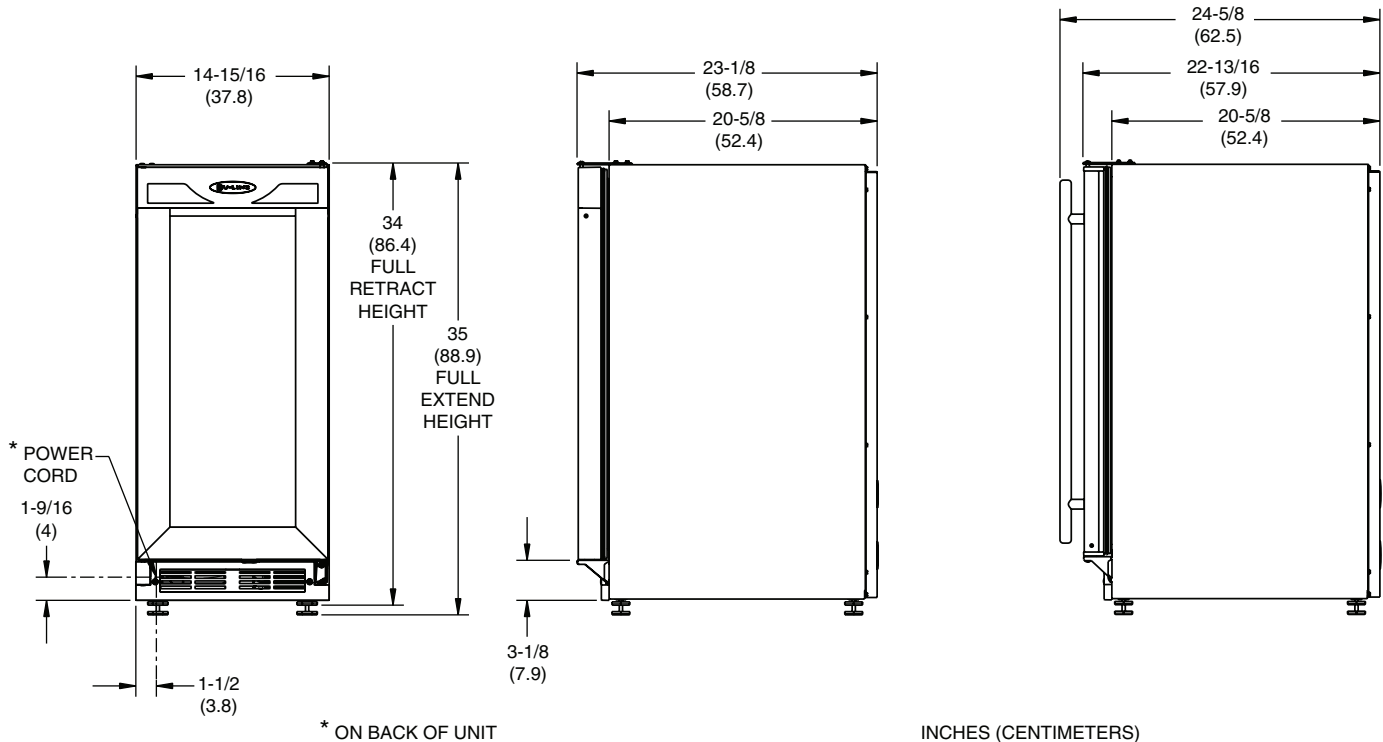

Feature	Benefit
Zones	Maintains wine at their proper serving temperature Top Approximately 55°F (Red) Middle Approximately 50°F (White) Bottom Approximately 45°F (Sparkling) Safely stores three or two types, or a single type, of wine
Stable temperatures	Stable, consistent temperatures provide longer-term storage capability.
Push Button Digital Control	<ul style="list-style-type: none"> • Provides ability to set the middle temperature and see the temperatures in all three temperature zones • Manages key model functions and provides user alerts
Adjustable on/off interior light	<ul style="list-style-type: none"> • Automatically illuminates when the door is opened • May be manually turned on when door is closed for viewing one's wines • Auto shut-off after four hours • Recessed so as not to interfere with access to wine
Slide-out zinc-coated wine racks	Allow for easy access to all wine bottles, especially those located in the rear of the unit
Maple-trimmed wine racks	Wood can be stained or replaced with a solid surface material to match surrounding décor.
Built-in	Provides custom look. No additional clearance around sides, top or rear of unit for ventilation. Do not obstruct front grille.
Stainless steel model	<ul style="list-style-type: none"> • Offers a bold commercial-style stainless steel handle, stainless steel framed glass door with a black "cap" on the top and bottom of the door • Black vinyl-clad cabinet and black grille • Must order right- or left-hand hinged
Black model	Offers a black elegant integrated handle and grille with a black vinyl-clad steel cabinet
Tinted, thermal glass door	Protects wine from potentially harmful ultraviolet light rays
Field-reversible doors	Flexible installation options. Black model only.
Black vinyl-clad cabinet	<ul style="list-style-type: none"> • Textured look, more resistant to scratching, peeling or flaking • Black and stainless steel models
Leveling legs	More precise undercounter fit, durable, factory-installed
Flat recessed grille	Blends with the other Origins models and integrates with surrounding cabinetry
Sabbath or "Black Out" mode	Easily turn off all lights and control displays. Automatically resets after 36 hours.
