

24" European convection oven'

| | | BUILT-IN ELECTRONIC OVEN |
|--|--------|------------------------------|
| | | 5HA-196 X STAINLESS STEEL |
| GENERAL FEATURES | | |
| Useful oven cavity (ft ³) | | 1.80 |
| Cooking programs | | 8 |
| Cooling Fan System | | • |
| Retractable controls | | • |
| Inner glass door | | • |
| European Convection System | | • |
| Pizza function | | • |
| Preheat Booster (Celeris) | | • |
| Electrical cable | | • |
| Interior oven light | | • |
| CLEANING | | |
| Enameled walls | | • |
| PROGRAMMING | | |
| Electronic program start/stop | | • |
| Electronic clock timer | | • |
| Delay start cooking | | • |
| OPERATING CONTROL | | |
| Display with time control | | • |
| Program / Temperature selector | | • / • |
| Temperature thermostat | | • |
| Oven pilot light | | • |
| Thermostat pilot light | | • |
| SAFETY | | |
| Safety thermostat | | • |
| Automatic safety switch-off | | • |
| Triple glass stay cool door | | • |
| TECHNICAL SPECIFICATIONS | | |
| Total power (kW) | | 3.6 |
| Maxi-Broiler / Mini-Broiler elements (kW) | | 2.6 / 1.4 |
| Convection element (kW) | | 2.1 |
| Single bottom / double bottom element (kW) | | 1.5 / 1.0 |
| Voltage / Frequency (V/Hz) | | 240 / 60 |
| Intensity to 208/240 V (A) | | 20 |
| ACCESSORIES | | |
| Enameled deep tray | | 1 |
| Enameled standard tray | | 1 |
| Chrome rack (with safety position) | | 1 |
| Removable tray Kit | | 1 |
