

# HT-BD8200 Blu-ray Sound Bar

Expand your entertainment choices to a degree never before possible with Samsung's HT-BD8200 Blu-ray™ Home Theater System. In addition to the hi-def pleasures of a Blu-ray Disc® Player that also up-converts regular DVDs, it provides the personalized entertainment options of streaming Netflix and the music of Pandora. Enjoy stored music and media favorites using the iPod® dock with video, audio and iPhone™ support. And the WiFi\* ready and PC Connected/Streaming features let you wirelessly view pictures, listen to music and more from virtually any PC in the house directly to your Home Theater System.
