### Adjustable

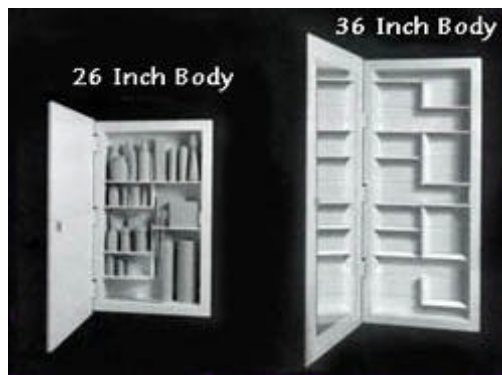

SPACECAB's patented modular shelving system stores much more than ordinary medicine cabinets. SPACECAB's simple to adjust slide-in/slide-out shelves efficiently facilitate adjacent size variations for incredible space utilization.

### Innovative

Called the "Better Mousetrap" SPACECAB's award winning design includes whisper quiet door hinges, secure friction latch, impact resistant mirror protection, and rigid mirror frames. SPACECAB is manufactured from high quality molded components that defy the humid environment of the bathroom and will never rust. Hazardous sharp metal edges are eliminated. Mirror doors are easily replaceable in the field.

### Intelligent

SPACECAB is made in the USA by the most experienced, dedicated and respected team in the industry with superior performance in product quality and customer service. SPACECAB's manufacturing process is friendly to the environment.

Available in a variety of sizes, styles and colors. 36" models include an additional interior door mirror.

### Zaca Medicine Cabinets are superior Medicine Cabinets For Builders

Zaca Medicine Cabinets are the smart choice for builders.

**Mirror Breakage is unlikely:** Most cabinet mirrors break at the rate of 3% to 5%. Replacing these broken mirrors costs money. In the unlikely event a Zaca mirror breaks, an unskilled laborer can replace the mirror door in the field in 60 seconds. Zaca's patented door hinge is designed for easy removal and replacement of the mirror door.

**Zaca Medicine Cabinet can increase sales.** Our Medicine Cabinets provide a true benefit and upgrade for builders in the competitive housing market. In comparison to the cost of other types of upgrades, this represents excellent value. Smart builders offer Zacas as an upgrade option to attract new home buyers.

**Extra Value & Low Cost = Sales.**
