(Ideal for Champagne or sparkling wine)
Capacity: 12 oz (397 ml)
Packaged: Set of 4
Item #: 9002

Chablis/Chardonnay Wine Glass
(Ideal for dry white wines)
Capacity: 12 oz (396 ml)
Packaged: Set of 4
Item #: 9004

Sampler Set (1 Bordeaux, 1 Burgundy, 1 Champagne, 1 Chablis)
Packaged: Set of 4
Item #: 9005

Crystal specifications:

Source of SiO₂: Lead-free crystalline quartz

Brightness: 90.5%

Refractive index: 1.5210

Density: 2.5314

Color: Colorless

Fe₂O₃: 0.007

K₂O and BaO: 10.81%

Exclusive features:

- A "tasting lip" on every glass. This graceful outward curve to the rim of the glass is functional. It enhances the appreciation of wine and champagne by directing it to the front palate.
- Super-size red wine glasses (33 and 34 oz) at an affordable price. This is the extravagant size favored by wine connoisseurs, because their high surface evaporation rate fully releases a red wine's bouquet. Bowls of Bordeaux and Burgundy glasses are shaped to emphasize the merits of those wines.
- Lead-free crystal, dishwasher-safe. Glasses are hand-blown in Turkey of lead-free crystalline quartz.
- Etched with the Rabbit symbol of quality assurance. Glass is colorless with exceptional clarity and brightness.
- Backed by national advertising and seen on the new PBS wine program. In 2004 Metrokane will augment its powerful print and TV Rabbit advertising with our sponsorship of "Wine, Food & Friends with Karen MacNeil," a new Public TV series on PBS stations nationally.
