

## Natural Light Energy Systems **Statement of Certification**

### Statement:

Natural Light Energy Systems certifies that the:

**SOLAR ATTIC FAN 10 WATT UNIT**  
**SOLAR ATTIC FAN 20 WATT UNIT**  
**SOLAR ATTIC FAN GABLE UNIT**

qualify for federal tax credits in the Solar Energy Systems category under Photovoltaic Systems as defined in the Energy Improvement and Extension Act of 2008 (PL 110-343).

In order to qualify, the Natural Light Solar Attic Fan products must have been placed in service on January 1, 2009 through December 31, 2016. In addition, the products must have been properly installed meeting all applicable building, electrical and fire codes.

To claim a tax credit, this Statement of Certification is not required to be filed with the tax forms, but income tax regulations require taxpayers to have appropriate documentation to qualify for a tax credit. Please complete the form below and keep it with your tax records.

**Disclaimer:** This Statement of Certification was prepared on June 1, 2009 in accordance to the qualifications for tax credits as the law states on this date. Natural Light Energy Systems cannot guarantee the products eligibility if the current requirements or laws change after 6/1/09. Natural Light recommends consulting a tax professional if considering filing for a tax credit. More information about tax rebates is available from the IRS. Natural Light Energy Systems is not responsible or liable for a taxpayers ability to receive tax credits.
