

Kistler Equipment Training

Crane Operator Training / Certification (Pendant, Remote, and Cab)

When: 1st Monday of each Month

2 Hour Course (1 Day): All classes start at 10:30 am - 12:30 pm

Where: Kistler Equipment Company
4437 South 139th Street
Omaha, NE 68137

For Scheduling, call Mark McElligott @ 402-896-9090 or e-mail mark@kistlerequipment.com

Light refreshments available (Lunch is not provided)

All personnel responsible for operating cranes will benefit from this class. Conducted at Kistler Equipment's facility, this course is a combination of classroom and hands on instruction ensuring maximum learning. This training can be tailored to conform to customer application and scheduling requirements.

Students will acquire a working knowledge of:

- OSHA, CMAA and ANSI/ASME B30 regulations as they apply to hoist and crane operators.
- Preoperational inspection requirements
- Operator responsibilities
- Proper lifting techniques
- Identifying unsafe situations
- Basic rigging safety

Students will receive crane operator workbook, rigging pocket guide, and after completion will receive wallet card and certificate of training.

New!

On-Site Operator Training Available at your location for one or more operating shifts. Call Mark to discuss options.
