

# LESSON 17

\* Shorts \*

## In-seam

1. Set the sewing machine to a straight stitch.

2. Place the right sides of the fabric pieces together and pin.

3. Stitch the front and the back pieces together.

4. Cut tiny cuts on the curved edges.  
Note: Be careful not to cut through the straight stitches.

5. Press the seams open.

6. Place the right sides of fabric together matching the front and back seams.

7. Pin and stitch the in-seam.

8. Press the in-seam open.
