FEATURING PROJECT MANAGEMENT PROFESSIONAL (PMP) CERTIFICATION

This class will prepare you to take the PMP® exam with confidence. The PMP® prep course will review PMBOK® material, clarify the exam, reveal critical exam tips and provide students with the knowledge and confidence to succeed on the first try. In this class, students will be challenged and train on real life and exam questions. The instructors are certified PMP®. This course fee includes the Presentation Materials, Lunch and Snacks for all 4 days PLUS One of Fortune 500 Company Executive will discuss strategies for Career Advancement.

If you have met our course requirements — which are to attend all days of class and participate in all class activities - and you do not pass the PMP® exam, we will give you 50% discount in the next offering.

Who Should Attend? People from all industries will get benefited by this course. PMP is suitable for all kind of projects.
