All décor complimenting
natural colors perfect for
every environment.

**Unbleached,
All Cotton Wicks**

Safe for you & the environment

Details For decades we've been hand-crafting high quality candles in the Green Mountains of Northern Vermont and have set ourselves apart not only through our love affair with essential oils, but also by our aversion to all the chemical additives, fragrances and dyes that are so prevalent in the candle industry. "Clean. Pure. Natural." is not just a slogan. It's a way of life.
